Who is this qualification for?

This qualification is aimed at individuals aiming to become a paediatric first-aider in the early years environment. This qualification is intended for learners already working in the early years sector or for those intending to pursue work in early years. The full course contents fulfils the requirements for paediatric first aid outlined in the Early Years Foundation Stage.

How long will it take?

This paediatric First Aid course requires a minimum contact time of 12 hours and is delivered in the format of a convenient blended e-learning session; 4 hours online pre-learning followed by 8 hours face to face practical sessions .

4 hours e-learning
and 8 hours
practical learning

Save time
and money

Fulfils Ofsted
Requirements from
April 2017

What does the course cost?

The course can be booked at a price of £85 per individual (inc VAT). Additional flexibility for course costs will be considered for on-site delivery or for those wishing for large numbers of attendance. Please contact us for further details.

Topics covered:

Topics include the role and responsibilities of the paediatric first-aider and providing first aid for an infant or a child who is unresponsive and breathing normally. The qualification also covers how to administer first aid to an infant or a child with head and spinal injuries, who is choking or suffering from anaphylaxis.

For full qualification overview and content please contact the Lifetime Commercial Care Coordinator using the details below.

New legislation from the Department of Education requires all newly qualified level two and three child carers to have either an emergency paediatric first aid or full paediatric first aid certificate to be counted within staff ratios. The new legislation came into effect from the 3rd April 2017.

It remains a legal requirement for at least one person with a valid full 12 hour paediatric first aid certificate to be available at all times within a professional child care establishment.
